Corvette Ohana,

As I start this note, I hope all of you are with me wishing all the best to the Yager family, the employees of MidAmerica Motorworks and the residents of Effingham, Illinois. Shortly after I went through Chicago enroute to Florida to visit my family, a tornado went through Effingham, Illinois. One of the buildings that was severely damaged was Mid America Motorworks – a family run business specializing in Corvettes and Volkswagens. I know they had a collection of Corvettes that was called a museum along with their parts supply business. I hope they are willing and able to rebuild and come back.

The Corvette Community is passionate, and this passion helps us to be resilient. When the sinkhole opened up under the National Corvette Museum, the community banded together, rebuilt and grew. This is probably one of the key factors in Corvette's longevity. When issues arise, we come together and grow from it. When the Corvette was almost killed off, those passionate about the Corvette rallied together and the car is still here. Hopefully Mid America will be like a phoenix and rise from the ashes with help from the Corvette Community.

Hopefully those passionate about the Corvette will help the Mid America family rebuild. For those of us in the Corvette Club of Hawaii, I know there are members of ours who have used Mid America Motorworks to keep our Corvettes on the road. While we may have the fortune right now, let us not forget those in the Corvette Family who are hurting right now.

Matt

From the Shotgun

Aloha Members,

I hope everyone had a wonderful start to their summer. For those with children and grandchildren, it can be a busy start to your summer.

June turned out to be a busy month, a parade and several car shows filled the month. All in all a fun filled month.

Be sure to keep an eye on our newsletter and website for updates, and as always, feel free to email or text any board member with questions, ideas, or fun event suggestions.

June Events Recap:

We gathered for our monthly dinner at Domo Domo, enjoying beautifully prepared Japanese and Pan-Asian cuisine that made the evening feel special. Moments like these remind us how lucky we are to have such a strong, connected club family.

Mahalo to our attendees — Mike & Karen, Kat & Joe, Bill L & Yumiko, Bill Y & Carissa, Tom & Cole, Elithe & Gary, Ron and Annie, Fred & Stellar, and Dean F — for making the night so enjoyable.

We kicked off June in festive style with Kau Kau and Cars, and what a fantastic way to start the month! It was our first time joining this show, and the event was wonderfully organized from beginning to end. With standout cars, fun prizes and giveaways, and a lively lineup of food booths keeping everyone happy and fueled up, the day had great energy from start to finish.

Mahalo to the following members for showing up and representing the Corvette Club of Hawaii with pride: Tom & Cole, Dean F, Cassandra, Susie, Chakib, Bret, Bill L and Bill Y.

Our summer parade season started in true Hawaii style at the Kamehameha Day Parade. Our club had the honor of carrying the beautiful girls and women of V2K Productions, a group that never holds back when it comes to stunning floral arrangements — and this year was no exception.

Mahalo to our members who braved the long day and represented the club with pride: Susie, Cole, Fred, Dean, Bill Y, Vic U, Dave S, Bret, Edwin and Chakib.

A special shout out to Gina, who joined us as a participant in the parade — you looked absolutely amazing and brought such great energy to the day.

Our next event was a car show sponsored by Bleizn Fx. This event featured some of the hottest American-made muscle cars through the years and also supported Make-A-Wish. Our Make-A-Wish child was Kellan, who had the special task of picking his favorite cars of the event. I'm proud to say that Kellan chose three Corvettes as his favorites. Way to go, Corvette! Mahalo to our members for helping make this a special event for Kellan: Myself and Cole, Bill Y, Dean F, Chakib, and Bill L.

June's Talk Story Cruise & Lunch took us around the beautiful windward side, and the views were breathtaking. This route never disappoints — slow paced, scenic, and full of that classic Hawai'i coastline magic. We did take a slight detour onto the H3 to let the Corvettes stretch their legs a bit, and the sound of those engines echoing through the valley was worth every second.

After the cruise, a few of us kept the good vibes rolling with lunch at Big City Diner, where the food was excellent as always and the company even better. A few of us even capped off the day with a sweet treat from Dairy Queen.

Mahalo to the following members for coming out and making the day special: Dean F, Bill Y & Carissa, Chakib, Phillip K, Mike & Colleen

Another memorable outing — great roads, great food, and great people.

We wrapped up the weekend at Wai Kai for Cars & Coffee. Although I missed this event, our club was well represented. Mahalo to our members Dean F, Bill Y, Bill L, Shak, Ted G, and Ron and Annie for coming out and representing the club. According to Ron, it was a great time as always. The parking lot was packed with amazing show cars, from classics to newer rides, and there was plenty to see and talk about.

Looking ahead to July.

Our upcoming events include:

July 4th GMM and 4th of July annual BBQ

July 21 Monthly dinner at Kings Chinese

July 25th Cars & Coffee at Koolau

July 26th Talk story event west side dessert cruise. Maili beach park for the sunset

July 28th Board Meeting

Reminders and sign up information will be sent out soon.

We look forward to seeing you at one of our upcoming events—hope you can join us.

Mahalo,
Tom

TALK STORY CRUISE TO WINDWARD MALL

Sat 6/27

HANK'S HUT

An arrogant young man was boasting to his old grandfather about how smart he was because of his college degree. To prove it, the young guy said, "Let's play a riddle game, old man. If you ask a question I can't answer, I'll give you \$100. If I ask you one and you don't know, you only give me \$1."

His grandfather smiled politely, nodded, and said, "Alright, young man. What has three legs when it walks, but flies with five wings?"

The young man opened this laptop, searched the internet, then called his smart friends, but nobody knew the answer. After an hour of sweating, the young man finally gave up, handed his grandfather a \$100 bill, and asked, "Wow, I have no idea. What animal is that?"

His grandfather calmly took the \$100 bill, pulled a \$1 bill out of his pocket, handed it to the young man and said, "I don't know either. Here is your dollar."
